Dear Wild Growth Co.,

I would like to say thank you! very much for the products.

I just can't believe of how it ~~expose~~ works for my 4 years old daughter. It made her hair look so soft and smooth. It grow her hair about one month. My 35 year old sister was jealous. She don't believe that the certain herbs will work.

But she slowly believe it and
also my 16 yrs old niece, she
believe it and love to see
her 4 yrs old cousin which is
my daughter's hair. Now, I
currently continue to buy your
product from J & S Beauty
Store and if they don't have
that product, I will order
from you guys. Once again,
Thank you so much! 
Charmaine
