My name is Kathleen Stafford-Hill  
thank you for this wonderful product  
it really works. It works very well. I  
like so much that very soon I will order  
\$164.00 worth of Wild Growth. I am  
going to spread the word about this wonder-  
ful product. It makes your hair so soft  
and strong and also stops my hair from break-  
ing off. It really has grown passed my  
shoulders which it was at a little to my  
neck and now it is wonderfully soft  
and full of body. I have mixed grade of  
hair. I am mixed with Cherokee and  
African American types of hair. I used to  
use Afro Sheen and it greasy and my  
nappy, which should have been very  
soft and kind of straight, but it broke  
my hair off. And I used other products but  
all they did was brittle, breaking and stop to  
my hair's growth. Like I said, I am trying  
with this wonderful product. It really works  
up a street Kathleen Stafford-Hill  
P.S. I wished I had taken a picture when
