Hi Tony I've noticed my hair are growing 2 times as fast
 and are very thick
 I just have to thank you from the bottom
 of my heart for the wonderful oil you have put out
 and also for the good advice about hair care. I
 just love your oil & also love using cayenne pepper
 It gives me so much energy and have also been seeing
 results concerning my grey hair. God bless you richly
 with grace, joy, love & well-being. Thanks again for taking
 the time talking to me
 I'm enclosing \$21.00
 for 2 bottles
